## Introduction

---

This Facility Rental Handbook is a resource guide for facility users to complete the application process and to clarify the District's expectations of groups who are permitted to use District facilities.

It is the policy of the District to grant use of the school facilities through the District's Facility Rental Program as defined by Board Policy and Administrative Regulation 1330. Use of District facilities and activities should adhere to the interests of the District and not interfere with educational programs. Access to District facilities is available after school and on weekends for user groups with prior approval, upon proof of insurance and subject to certain costs approved by the Governing Board.

All Rules and Regulations, Conditions of Use of the Governing Board and provisions of the Education Code of the State of California are to be observed strictly by those using school property and facilities. The District reserves the right to revoke use to any group if the rules and regulations of this policy are not followed.

## AUHSD Group Classifications

AUHSD Board Policy 1330 (Use of School Facilities) outlines the priorities for the use of school facilities. In general, the Governing Board authorizes the use of school facilities by District residents and community groups for purposes specified in the Civic Center Act as long as it does not interfere with school activities and other school-related uses.

1. Review AUHSD Facility Rental Guidelines, Group Classifications and Facility Rental Schedule of Fees.
2. To request a facility, go to [ML Schedules](#), our online facility use request system. All new users must create an account in ML Schedules, please click “Create New Account.” You will also need to upload a Certificate of Insurance and if you are a Group II, you will also need to upload your Federal 501(c)(3) Determination Letter. After creating your ML Schedules account for your group, the new account will need to be approved by the AUHSD Facility Rental Department before being able to request a facility.

4. If the facility user wishes to use District equipment, which may require a district employee to operate and/or facilitate, such as projectors, public address systems, lighting, etc., this must be notated on the online Facility Request. Use of District equipment will have an extra charge and if a District employee is needed, there will also be an hourly charge for the employee.
5. After your request has been submitted, the site and district will need to approve the request. Once the request is approved, you will receive an email with an invoice. You will need to pay that invoice online by clicking the green “Pay Invoice” button on the email.
6. An AUHSD Facility Rental Permit will not be issued until payment has been made.
7. After payment has been made, you will receive an emailed receipt from “Connexpoint Team” for your AUHSD payment.
