

Campolindo Bias Incident Report

August & September 2021

The Campolindo Bias Incident Report Team (BIRT) meets weekly to examine and respond to incidents of bias that are reported to the district [biased report form](#). The primary function of the team is to keep a record of biased incidents, provide care for the reports who experienced/reported the biased incident, and to promote conversation about bias, diversity and equity issues on campus. Although students can report anonymously, those who do not, can be followed up with so that we can listen to their experiences, discuss the resources available to them and when applicable, recommend appropriate actions to the administration that are both preventative and responsive.

Bias incidents are any actions committed against a person or group that are motivated in whole or in part, by bias against the person's or group's sex, gender identity, sexual orientation, national origin, race, religion, or disability.

The Campolindo Bias Incident Report Team (BIRT) is NOT a crisis response team, or a disciplinary body. Therefore this report is only intended to provide transparency for the community and accountability for addressing patterns and/or trends that may call for structural or cultural changes to occur. Additional information about the [AUHSD Bias Reporting Procedures](#) can be found on the [AUHSD website](#).
