Introduction

The Bias Incident Reporting System is a part of AUHSD's effort to promote safe environments where all students can learn. This system is one component of Campolindo's efforts to create the learning environment described in the newly adopted mission statement. Reports submitted by students are genuine and address instances of bias as seen on social media and in-person. As the BIRT works to address these instances the outreach comes from a place of "calling in" as opposed to "calling out". Reporters who have not remained anonymous are contacted by a BIRT member to follow-up and offer support.

During the month of March the BIRT received 6 total reports. While this is a decrease in the number of total reports, the number of reports of incidents on campus has increased, most likely a result of students returning to campus for instructions and extra-curricular activities. Fall student survey data indicated that students want to intervene when they experience or witness incidents of bias. In April, students will learn about the Speak Up Protocol created by *Learning for Justice* during a Monday Cohort lesson. While learning this protocol students will also be encouraged to use the Bias Incident reporting system or speak with an adult.

Process

The Campolindo Bias Incident Report Team (BIRT) meets weekly to examine and respond to incidents of bias that are reported to the district <u>biased report form</u>. The primary function of the team is to keep a record of biased incidents, provide care for the reporters who experienced/reported the biased incident, and to promote conversation about bias, diversity and equity issues on campus. Although students can report anonymously, those who do not, can be followed up with so that we can listen to their experiences, discuss the resources available to them and when applicable, recommend appropriate actions to the administration that are both preventative and responsive.

Bias incidents are any actions committed against a person or group that are motivated in whole or in part, by bias against the person's or group's sex, gender identity, sexual orientation, national origin, race, religion, or disability.

The Campolindo Bias Incident Response Team (BIRT) is NOT a crisis response team, or a disciplinary body. Therefore this report is only intended to provide transparency for the community and accountability for addressing patterns and/or trends that may call for structural or cultural changes to occur. Additional information about the <u>AUHSD Bias Reporting</u> <u>Procedures</u> can be found on the <u>AUHSD website</u>.
